II. Read the text and identify true (+) / false (-) / no information (?).

Paolo is a very busy person. He works nine hours a day. Then, after work, he studies English and plays tennis in the sports centre. He is very tired. In the evening and he does not usually have time to meet his friends. On holidays he wants to relax and have a good time. He thinks it is nice to spend outdoors, see interesting places and meet new people.

Last year Paolo had a very bad holiday. He went to the mountains because we wanted to have a lot of exercise. He walked with a heavy rucksack and carried his tent from one place to another. He did not take a map or a compass so one day he got lost. There was also a problem with his walking boots. They were not comfortable and his feet often hurt. Finally, he came back home and he was not very happy.

This year Paolo wants to go on a trip to New York. He wants to stay in a comfortable hotel and eat meals in a good restaurant. There is a gym and a swimming pool in the hotel so he can do a lot of exercise. He would like to meet his American friends and see New York with them. He thinks it is a good idea to practise English in the USA. He hopes to enjoy his stay there.
